BUILD A MEANINGFUL CAREER IN EARLY CHILDHOOD EDUCATION

ABOUT THE INSTITUTE

Rabboni Institute of Early Childhood Development is committed to preparing competent, confident and values-driven professionals who can support the learning, care and development of young children. The Institute emphasises practical training, experienced trainers, Christian values and hands-on learning to prepare learners for meaningful work in early childhood settings.

Our training focus: practical ECD teaching skills; child growth and development; daycare and childcare practice; classroom management; early literacy and numeracy; child safeguarding, health and safety; and effective learning environments.

WHO CAN APPLY?

Our programmes are suitable for school leavers aspiring to become nursery or preschool teachers, daycare caregivers seeking to strengthen their skills, individuals interested in a career working with young children, and those interested in Christian early childhood education.
